

# TACKLE TALK

## THE TACKLE TRAINING MODULE

### What is it?

The TACKLE Training Module is a collection of short training blocks related to the areas of the TACKLE Checklist and Action Plan that include the best practices of providing support and guidance to students and their families, with special attention to supporting students through transitions and choices of pathways.

### Who is it for?

Secondary school leadership: school directors, coordinators and guidance practitioners.

### What are the benefits?

- Put into practice the TACKLE toolbox
- Go at your own pace through our online training module.
- Focus on the areas where the TACKLE Checklist or the TACKLE Action Plan and Resource are sign-posting your school for improvement.

Co-funded by the  
Erasmus+ Programme  
of the European Union

### WHAT'S NEW?

- In January the TACKLE Training module launches!
- Save the date - **1 February 2023** - The Tackle Project Final Conference in Barcelona.

## Participate in the pilot of the toolbox!

We are looking for directors, guidance practitioners and teachers from Secondary schools to participate in the pilot action of the TACKLE toolbox - the **Checklist and Action Plan & Resource**

The TACKLE partners are conducting a local, regional, European and international **search for best practices** in the field, especially in relation to online guidance. The objective of providing these best practices or inspiring examples, is to inspire schools in continually improving and advancing their guidance and career learning activities, especially **to support successful transitions between education stages and prevent early leaving.**
